

## Stories From Conference Calls...

#1 Introduced Michael H. from Linden, Az. Had sore shoulder from being a painter. Introduced Cindy W. from Pinedale Az - has been looking for this kind of product for 40 years! Dry hair, skin sad, joint discomfort, vision problem. GREAT results in her family with pain, discomfort, etc. great financial success!!! Blesses lives in all ways... (Jan 2014)

#2 Fran B. talks about being almost in a wheel chair. Legs hurt, pain everywhere, MISERABLE.. another person talks about pain in feet (on 9<sup>th</sup> bottle) pain gone..(77 years). Can get up without holding on to anything. (I'm worth every penny I spend on this product!) Thera talks about RETRACING.... Weight loss story..

#3 Introduces Cindy W. from Pinedale, Az.. shares story of what has happened in her family in the past 5 months.. Introduces one of her reps Judy, from Texas, burning pain all over her body, in bed 18 hrs a day, found a product that worked but then the company changed the product and it didn't work. found another one and spent \$12K buying product. Then Cindy called her about BioCell for under \$200!! Started taking it and sharing. In 4 days pain gone. Able to touch lots of people. one had debilitating pain and taking lots of pain meds, had knee replacement and was supposed to have the other one done but cancelled surgery.. also cancelled surgery for hands. Scar tissue dissolving.

#4 Cohost is Shari from Burnsville, Minnesota. Introduces Deb from Florida - had mesh put in her that broke her muscle system down and became very sick. Not absorbing anything and going into malnutrition. Lost lots of weight. Product allowed her to start absorbing nutrients and hydrate. Severe neck pain gone. Sleeping better. 2<sup>nd</sup> mesh went into liver and started shutting it down. Had to take part of liver to get mesh out. body very toxic from liver not working.

#5 Cindy W. introduces Mary A. Grandson born 2 months premature (one of a twin), had brain damage, muscle degeneration, vision difficulty, at 2 1//2 yrs still not walking. Did research on product and found that it goes thru the brain barrier! Called company to see about giving it to grandson. In 3 days walked a half mile pushing a lawn mower, started using eyes, spastic muscles went away... Both twins thriving!! Lazy eye went away.. Mary herself had stiffness and aching and neurological issues. "Dry eye" gone..

#6 Introduces Thelma W. (85) and her daughter, Gail. Thelma was in constant pain which stopped in 4 days. One foot had turned black and it turned pink. Was in a walker and walking now. wrinkles going away.. Weakened voice. Voice strong. Back driving a car! Writing improved dramatically. Nails and teeth better. Gail feels like she is 20 years younger and has energy! TAKE YOUR PICTURE AND JOURNAL!

#7 Kathy C. started 3 months ago. Had discomfort in feet and knees. Has taken 3 months for it to work. Hearing has returned in right ear. Jackie's daughter, Sara, 33, talks about protruding veins on her legs diminishing. Legs no longer hurt either. Skin smoother and tighter. Pores closing. (pores open from loss of collagen). Very painful menses since age 12 .. from 7 day cycle to now 4 days. only has to take pain med one day now instead of 7 days.

#8 Irv S. who is a research analyst, etc, etc. and several other degrees... works with herbs, plants, etc. This is a HUGE breakthrough in history of wellness development. Occurs rarely. We are ahead of others. GREAT SCIENTIFIC BACKGROUND! GREAT CALL! tells his own story of being tired and stiff at the age of 60 when taking teenagers on his expeditions. Almost lost ring finger in a fall. Back functioning again! talks about his father, 82, who started playing baseball!! Had aches and pains in knees over the next 3-4 years. "Knees shot at the age of 90". Dr wanted to do surgery. Discouraged surgery. At 95 could hardly walk.. started on product. Skin got better, deep circles in eyes disappearing, and after 7 months he had no pain in his left knee. In the 9<sup>th</sup> month, both knees were revitalized and no pain in either

## Stories From Conference Calls...

knee! Irv's DOG is 15 years old. Hip complication and loosing hair. Pet blend regrowing hair and hip better.

#9 Introduces Cindy who introduces her younger sister, Holly. Was always tired her whole life. Started eating really healthy, exercising, and still couldn't run a mile at the age of 46. Iron level low(24) and hemoglobin low. Not absorbing nutrients.. "starving to death". fell asleep during conversations. After starting on product all levels huge increase! ! Started feeling fabulous again and has her energy back. absorbing nutrients again.

#10 Thera update after 15 months on the product talks about not needing her hearing aids anymore. Dorothy from Richmond Virginia has been on product for 2 weeks, noticed hair growing. Knee surgery a year ago and been in physical therapy all year. After just 2 weeks able to do rotation on knee and no swelling going on.

#11 - Ana W.: Muscle/Joint Pain. She has been on the product since July 2013. Before the product she was only able to work full-time and rest in the evenings. After 1 week the pain from bone spurs was gone, at Christmas she shopped for 9 hours and then wrapped presents, as of today her shoulders feel as good as new - no pain.

#12 - Secondary testimonial: Scott had arm problems (torn tissues) and joint problems. Now he can raise his arm over his head and his mood has improved.

#13 - Judy has an auto-immune disease that was taken care of with nutrition but the company changed the formula and her symptoms came back. On February 23rd, she started on the product, it will be 3 months and she is now pain-free. Darlene had debilitating joint discomfort and needle-like pain. She had custom made braces made to help with the pain. On 12/05/13 she started on the product and by the 12/09/13 she stopped all her medication except her high blood pressure pills. Her pain level is down to a "2" and she can lift things and now active after work. After 11 days on the product she had no more shin or shoulder pain. She has received compliments on how great her skin looks.

#14 - Renee is a writer/author. She started on the product in March 2013 to eliminate cellulite. Her daughter is a dancer with a knee problem. The product helped her knee and back problems as well as improvements in her Acne (breakouts stopped/scars going away). Janice was able to sit for hours and not be in pain. Pat's pain from a 2008 injury has been eliminated. Her other daughter had major improvements with her monthly cycle.

#15 - Frank (respiratory therapist) and Jan. Frank is 58 years old and been on the product 1 year. Do the skin test for elasticity. Age spots fading, residing hair line & bald spot filling in and eye health. Jan's sagging neck and eye lids are firming up. Peggy (first person Thera enrolled). She had extreme foot pain. After 3 days her foot pain was gone and after 3 weeks there was no evidence that the pain ever existed. She had debilitating sciatic pain. Her 80 year old dad had problems with his hands and after 3 weeks he could hold a guitar pick, his eyes are brighter

#16 - Reverend Allen (56 years young) has weight loss, improvements in his skin, feet conditions (corn, calluses and hammer toe) have improved, and he has seen improved muscle tone. His reps have experienced improved sleeping and more energy.

#17 - Cindy introduced Theresa who has had problems with her monthly cycle. Before the product, Theresa cycles were light and short and now her cycles are normal and are heavier and last 4 days. This is important to her as they want to have more children. Additionally her appetite has improved and she has more energy.

## Stories From Conference Calls...

#18 - Barbara H. started the product in July 2013. During the first month, she had relief with her foot pain (bone spurs) and shooting pain in her legs. Her smell came back after 2 months. She still can't smell everything but fortunately it been the good things. Her ear lobes and nose have filled out and feel thicker.

#19 - Shawnte P. started on the product in October 2013. No longer sore after working out, her knee and ankle joints have quit popping, no more clotting during monthly cycle, no more numbness in hands and arms, improvements in acne, she has a vision diminishing disease where her vision was dim and now that dimness has disappeared.

#20 - Shela introduced Sharie who had struggling with grief and having a hard time at work. Within 3 weeks she was able to use her hands again. She couldn't open bottles or cans or doors. Now she went dancing with a 70 year old girl friend. Judy had told Sharie she wasn't interested in the product or the business, but after trying the product she has had great relief from joint pain, dry eyes, increased energy level, sleeping better,. She loves all of the changes in her body.

#21 - Mrs. Hutchen had suffered with incontinence, bad skin, shoulder pain now she feels so much better. Sherie introduces Cindy who had fell on her knee and couldn't bend it, knots on her feet the size of marbles, they are going away. She would have to get up 3 times to go to the bath room every night. She had a tooth pulled with no pain, the floaters in her eyes are gone.

#22 - Martha from Hawaii in her early 70's had a broken toe and bad knees she is doing very well now. Cherry talked about how to do our business,,, just show up for work, use your back office and marketing resources.

#23 - Tonya from Ok has a grand son with a condition that only 13 people in America have, he is responding well to the product.

#24 Rod - age 43. Back pain, Blood in urine, Inflammation, could barely walk, and would wake up with tears with pain. In 6 weeks was Retracing. Speaks of NFL using product.

#25 - Charles S. - MI - 2009 diagnosed w/ Lung Disease, on Oxygen, Bronchitis - pneumonia chronic, until Feb 2013. Also, Congestive Heart failure, Palsy & shaking. 07/2013 started product - 12/13 decreased oxygen. Also, Numbness in both feet, toes, ankles nonflexible - 4 weeks on product numbness starts going away; 3 months GONE w/ complete mobility in ankles.

#26 - Ruth - 74 yrs. - needed Knee surgery, bone on bone, extreme pain. Started product 9/2013 - call date March 2014, problem gone! Eyes - start of cataracts, now 20/20 vision. Mary's grandson - was born premature w/brain damage. At 2 ½ he was not walking, nor crawling. 2 days on product he was upright pushing toy lawn mower; 4 days walking!! Keeps improving.

#27 - Pat - 4 months on product. Autoimmune Eye condition - within 4 months test results came back dropping from 900 range to 176; depth perception corrected; inflammation of eyes going down. Also, circulation issue in legs, toes turning gray/black and the circulation is back; growth on bottom of foot disappeared. 2<sup>nd</sup>, Sheila told Jackie's story, autoimmune disorder.

#28 - Cindy hosts w/ family member Rochelle testimonial. Age 21, tired all the time, scared of inherited family illness, pregnant w/ 1 yr. old daughter. Started on juice, right away she had more energy, started going to gym and became stronger & stronger. Both Cindy and Rochelle watched their parents go through an agonizing deterioration of the Milan sheath.

## Stories From Conference Calls...

#29 - Pat - 71 yrs. - excruciating knee pain, on pain pills, walker, cane for past year. 4oz/2x/day and 4<sup>th</sup> day pain receding. 2<sup>nd</sup> month back to normal dose. Now (2 months) no pain, no walker nor canes. Barb, 81 yrs., painful bunions. 1 month on product, energy, no pain, walks 2 ½ miles per day.

#30 - Kit - Utah- 57 yrs. - Neck injuries, knuckles, wrists achy, stiff joints, eyelids drooping. On product for 10 days and inflammation gone. Now 5 weeks and eye lids receding, skin above elbows tightened, feels revitalized. Left another MLM to come aboard, good call for network marketers.

#31 - Becky - Texas - Broken both legs in past, pins, pain, muscles weak, hernia, arthritic pain, fingers curled. 65 days on product, back has straightened, pain receding, energy back, hair color returning to natural color, was gray. So grateful for this product.

#32 - Vonn K - WA - background in health/nutrition. Testimonial on husband, Marvin, 81 yrs. - POWERFUL STORY! 3 back surgeries, rods, bone spurs in spine, 24/7 pain since 1988. In 2000 1 side of face turned dark brown, speech slurred, couldn't move arms, paralysis, diarrhea, depression, memory going and constant pain. Nov 1<sup>st</sup> started on product and in 1 hour pain relieved. Uses larger doses of juice. Becoming more flexible, going to gym, pain controlled and once again talking and communicating.

#33 - Karen - 38 - had lateral break in her ring finger, couldn't fold left hand into fist, no strength in left hand. She can now make a fist and feels strength in her left hand.

#34 - Millie, retired RN, told her story and had her daughter, Amy, (37 yrs. old) with all over joint pain, bulging disk, unable to work for 2 years, now has her life back. Thera spoke about her hearing being restored.

#35 - Roberta from Ca. - shared story of her husband being attacked by gang and an invalid for years. Now starting to form sentences and telling people about his product.

#36 - Michael's new rep - relief from severe pain in the bottom of feet within days.

#37 - Thelma - 85 year old, mother of William L. (enterprise), tells her story of how she went from not wanting to live to being fully alive.

#38 -Thera tells her story of being really sick at age 82 when she took her first dose and now after 17 months she is very well, has a new Mercedes, and is a top leader in the company. Had several surgeries, deaths in family, heart trouble, etc..

#39 - Peggi P., the first person Thera ever sponsored, works with energy medicine. Had painful feet. Sore finger... good review of the product.

#40 - Kathy is a guest that was a college basketball player with lots of pain, depressed, lack of sleep, and rash. Had a testosterone deficiency. Major healing in her body within a few months

#41 - Millie B. - spoke about the product keeping her balanced and focused during a very stressful time in her life. Two guests: Chuck had bone spurs that went away in 3 days; Amy told her story about all over joint pain again and how much she has improved since her last testimony!!

# 42 - Robert L. from Mesa. Two guests Becky had broken legs, off pain meds, riding bike again.

## Stories From Conference Calls...

# 45 Pixie. Pixie told her story of depression and pain. Finger broken and healed in 5 weeks. Hole in heart closed. Mother doing well on product.

# 46- Thelma - 85/86 yrs old. Able to get out of chair alone; flexibility to put on hose alone; Eye doctor told her there was no need for glaucoma drops any longer. Teeth, gums, skin noticeable difference. Has been drinking the juice for 1 ½ years.

# 47 - Candice, AZ - severe facial rash for 4 yrs., red, burning & irritation, clearing after only 3 weeks on the product. Right shoulder that was bothering her, is now better. Fran (who opens the daily calls) gave a great testimony about her depression and all over pain.

# 48 Becky - bone and gum regrowth, increased energy

# 49 Karen S. - West Virginia . toes not numb anymore, knee problems gone. Guest was Constance - neck broken “never gonna walk again”. left side paralysis, crutches and cane, joints giving out, falling down. Fell on march 6<sup>th</sup> and busted head open. Now doing stairs! Has been in scooter and was on her feet for 8 hrs the day before this call

#50 Susan—mole fell off in 3 weeks.

#51 Dr. Duane from Sparks Ok (79) introduced Lee Wheeler, 76 yr old who takes care of 2 handicapped children in their 50's, a granddaughter, and 3 great grandchildren. Said he “couldn't afford to take it... until he realized the price was insignificant” for what it was doing for him. Had sore feet, always tired, .... Feet all better
